

LAGOON/BOAT DOCK USE FORM

Group Name:

Dates at Seabeck:

Meeting Room:

The lagoon facilities are for the use of Seabeck guests only. All persons using these facilities are doing so at their own risk. Members of the guest group are not to use any lagoon facilities until a representative of the group, with the authority to do so, has signed the *Rules for Lagoon Use*.

BOATING:

- **The use of rowboats by children and youth must be supervised by an adult on the boat dock during boating activities.** Small children are never to be unsupervised on the dock.
- Boats are to be returned to the dock and tied up, NOT beached.
- Oars and personal flotation devices are to be returned to the rack when not in use.
- NO standing in boats, colliding of boats, or capsizing of boats is permitted.
- Boating is permitted during daylight hours only.
- Misuse or dangerous use of the rowboats may result in loss of boating privileges for the group.
- Washington State Law **requires that all children 12 and under are to wear U.S. Coast Guard approved personal flotation devices** while on boats under nineteen feet long. This includes Seabeck rowboats and paddleboats. All non-swimmers, children and adults, should wear a personal flotation device as well. Personal flotation devices are available. Ask at the office for the location.
- Rowing the boats into the swimming area (roped off area on the north end of the lagoon) is forbidden.

SWIMMING AREA:

- The guest group accepts full responsibility for guarding the swimming area and they will provide trained or certified life guards during swim periods. Neither Seabeck Conference Center nor the management will be held responsible for the supervision or safety of individuals.
- Swimming is to be done only in the north lagoon swimming area.
- Do not swim alone, always use a partner.
- Swimming is permitted during daylight hours only.
- The supervisor at the swimming area will not allow pushing, roughhousing, or other potentially dangerous activities on the swimming platform.

I have read the *Rules for Lagoon Use* and will be responsible for relaying them to members of my group. In consideration of Seabeck Conference Center (**Seabeck**) allowing our group to engage in boating and swimming activities that could result in injuries to persons or property, we hereby agree to indemnify and defend Seabeck from any and all claims for injury or damage arising from such activities that may be asserted by anyone.
